RE: Commercial Pool Renovation

Please see below our proposal for repairs to be made at the address noted above. This quote is good for 30 days from the date of the proposal. A deposit and signed copy of the proposal is required to schedule a renovation.

Renovations Include:

1. Drain pool secure area to enable work to begin on pool.
2. Remove and replace (2) surface skimmers (Strongly recommended as they have been problem areas in the past.)
3. Chip out and repair crack with structural staples and Dal Seal suppression cloth.
4. Cut and chip out around lights, returns, and secure all possible leak areas.
5. Remove and replace waterline tile on pool (Allowance for tile is \$6.00 / ft. Upgrade tile is available and charged at a cost difference only.)
Includes: New "Depth Markers" and "NO Diving" in waterline tile. (Per Code).
6. Remove and install new non-skid 2"x 6" bullnose cap tile on steps in pool.
7. Acid wash pool interior, and coat with bonding agent for better adhesion and bond to new finish.
8. Replace main drains (Code Compliant), return fittings, and any necessary fittings for circulation.
9. Acid wash pool and apply bond coat adhesive to ensure material adherence to old finish.
10. Apply new high strength exposed pebble aggregate (Silver pearl) to pool.
11. Fill pool and add necessary chemicals to balance water and resume weekly maintenance.
12. All required permits will be applied for as per local municipal codes.

ADDITIONAL WORK TO BE COMPLETED OR ADDED TO CONTRACT:

*We recommend a 6"x 6" waterline tile due to durability and ease of maintenance.

* For led white lighting, please call office for quote.

Labor and Material Quote:

TWENTY SIX THOUSAND SIX HUNDRED & NO/100

(\$26,600.00)

TERMS: 50% deposit with remaining balance due upon completion**
