## Suncoast Contract Warranty

Proudly Manufactured In USA

Suncoast's furniture is handcrafted in the USA combining the finest materials available, the latest manufacturing techniques and skilled craftsmanship. From drawing board to finished product, Suncoast goal of comfort and durability are achieved.

### QualityMaterials – PlatinumBond™ Finish

Every Suncoast frame is prepared using Suncoast's exclusive Platinum Bond™ finish process consisting of two complete coatings of polyester powder. This finish will not rust or peel and is warranted for 5 years in commercial use. Platinum Bond™ is three times thicker than paint and more durable.

### QualityMaterials – AluminumSwivelMechanism& Stainless SteelHardware

Suncoast uses two fiberglass springs attached to an aluminum mechanism to provide a smooth rocking motion. Aluminum doesn't rust. Additionally, Suncoast uses only stainless steel nuts and bolts where movement where movement is desired, as in chaise lounges and gliders. Stainless steel will never rust or become wobbly like other soft metal fasteners.

### Comfort isDesigned into Every Suncoast Frame

Suncoast's frames are warranted for a period of five years in commercial use. Examine Suncoast's designs and you will find a gentle curve in each chair back. Each piece is ergonomically designed to provide both lumbar and shoulder support to provide extremely comfortable seating.

### Comfort Suncoast Cushions

Suncoast cushions are constructed with thermal bonded polyester fiber to provide maximum comfort, firmness and resilience. Only the highest quality materials available in the USA are used in the sewing and construction.

### Individual Style & Comfort

Suncoast has six distinctive seating styles: Cast, cushion, sling, basket weave, wicker and straps. All styles are designed to provide individualized comfort to suit a wide variety of preferences.

### Comfortable Strap Spacing

Suncoast uses 11 straps on the high back chair – the most in the industry. The placement and increased number of straps provide unsurpassed comfort. Suncoast uses 2 inch wide x 1/8 inch thick, 100% virgin vinyl straps with added ultraviolet stabilizers and mildew inhibitors. This means longer lasting colors and greater mildew resistance.
